SIVA SUJITH REDDY BANDA

Transformation and Banking Operations Manager (Officer JMGS-I) | Banking and Financial Services

+34 610 455 690 | sujith@student.ie.edu | linkedin.com/in/sujith1999

SUMMARY

Transformation and banking operations professional, over five years of professional experience across pharmaceutical manufacturing, public sector banking and applied artificial intelligence, more than three of those years inside a bank regulated by the Central Bank of India: a state bank amalgamation, a core banking migration, a digital onboarding build for rural customers, and the commercial targets alongside them. Computer Science engineer, finishing an International MBA at IE Business School.

PROFESSIONAL EXPERIENCE

AI Evaluation and Training Data Intern - Sovrano AI *Barcelona, Spain (Remote)*

Applied AI venture studio; inaugural SAI S26 cohort, selected through a technical bootcamp. *Jul 2026 - Present*

- Build evaluation datasets and quality checks for Project Vega, the production model, measuring how reliably the AI agent answers
- Convert client requirements into build-ready technical specifications, working cross-functionally with engineering
- Run AI workflow operations end to end, from client intake through delivery and handover

Transformation and Banking Operations Manager (Officer JMGS-I) - Telangana Grameena Bank (Govt. of India) *Kamareddy, India*

Public sector regional rural bank of about 940 branches, sponsored by State Bank of India, regulated by RBI *Apr 2023 - Aug 2025*

- Coordinated the operations workstream for 60 branches inside a bank amalgamation, migrating core banking systems and data
- Migrated 500+ staff identities in a 48-hour cutover across the merged branch network
- Designed Video Know Your Customer (V-KYC) for 10,000+ last mile rural customers, cutting onboarding by 40% and cost to serve by 15%
- Cut the regional complaint backlog from 25 to 6 through the migration cutover
- Enforced Know Your Customer (KYC), Anti-Money Laundering (AML) and enhanced due diligence controls and escalation at branch level
- Authored the local language Standard Operating Procedures (SOPs) and training videos that scaled e-KYC across the branch network
- Trained 20+ staff on core banking, cheque truncation and ATM operations, cutting transaction failure rates 25%
- Delivered 100.67% to 227.78% of budget targets across all six product lines, certified by the Regional Manager

Customer Service Associate (Single Window Operator-A) - Union Bank of India (Govt. of India) *Jagtial, India*

Public sector commercial bank *Jun 2022 - Mar 2023*

- Operated Finacle, an enterprise core banking platform, daily across account opening, transaction processing and servicing
- Built an Excel and Visual Basic for Applications (VBA) reconciliation model that cut errors 30% and saved 120+ staff hours a year

Administrative Coordinator - V V R Organics Pvt Ltd *Hyderabad, India*

Regulated pharmaceutical manufacturer *Aug 2020 - May 2022*

- Coordinated records and compliance documentation to standard across operations, production and management
- Held operations continuity and correspondence across the business through the COVID-19 shutdowns

EDUCATION

IE Business School | International MBA, Concentration: Strategy *Madrid, Spain*

GPA: 3.66 / 4.0 *Sep 2025 - Dec 2026*

Jawaharlal Nehru Architecture and Fine Arts University | B.Tech, Computer Science and Game Development *Hyderabad, India*

First Class with Distinction, Backstage Pass Institute of Gaming and Technology *Jul 2016 - Jul 2020*
